

Memorial Service for Aborted Children

"The light shines in the darkness" - John 1:5

**Friday, June 10, 2016 at 7:30 pm
at St. Patrick's Church (22561 121 Ave., Maple Ridge)**

With 100,000 abortions annually in Canada, and over 3 million since its legalization, this night of prayer, reflection, and song is designed to remember and honour the pre-born whose lives were cut short. All of us have been touched by abortion because there are children, grandchildren, nieces, nephews, siblings, cousins, friends, and colleagues missing from our lives because of it.

The evening will be led by Fr. Matthew To and includes a testimony from Elizabeth Sutcliffe of "Silent No More Awareness" and music by Jesse and Kathleen LeBlanc of "A Guy and a Girl."

All are welcome.
